News & Events:

Year 11 Parents Evening

Year 11 Parents Evening will take place on Thursday 12th January between 4:00pm and 6:30pm. During the evening there will be four, 15 minute sessions for Year 11 parents which all parents are expected to attend. The purpose of the sessions is to give information about the new online student information system - The Learning Gateway.

Quiz Tonight @ Lordswood Girls' School

Quiz night - Thursday 19th January, 7pm-9pm at Lordswood Girls School. The cost is £10 per team, maximum of 6 people per team. All money raised will go to Future Leaders UCC. More Information will follow after Christmas but keep the date free for what should be a really fun evening!

DEAR (Drop Everything and Read)

Mrs Brookes writes:

A reminder for parents of Year 7 that DEAR (Drop Everything and Read) happens every day. Could parents please ensure they support their daughter by ensuring that they always have a reading book for school. If you would like more information about DEAR then please visit the school website [here](#).

London Trip

Mrs Swallow writes:

The final collection for the London trip is Thursday 12th January. Any outstanding payments will be collected in the Ante Hall during the morning.

Parent Reps

Many thanks to those parents who have put their names forward to be Parent Reps. I will be organising meetings with you all over the coming weeks to discuss the parent forum system, this information will then be given to all parents.

Applied Learning Afternoon

Applied Learning Afternoon began on Wednesday 4th January for this half term. Many students who were due to attend sessions did not attend. Please may I ask for parents to ensure that, where possible, students come to the sessions that they are due to do in order that they are taking up the brilliant opportunities available. This half term we have a Red Cross First Aid course, Animation Workshop, Gardening Club, Drama and Documentary Club, Jewellery Making Club and a Zumba Class. All of which are delivered by professional trainers and practitioners allowing students to learn fantastic new skills. Many thanks, Miss Gough.
